

Chairperson Message

Dear Readers,

It gives me immense pleasure to sincerely welcome you to the 6th Annual Scientific meeting at GMU, Ajman. This meeting is organized with the aim of disseminating knowledge among academicians and researchers with shared interests in various disciplines like Clinical Medicine, Pharmaceutical Sciences, Dental disciplines, Health Profession education & Physical therapy through oral and poster presentation sessions in a two day event.

This meeting's theme is **“Innovation & Clinical Research”** with an objective to provide a highly interactive forum so as to bring together researchers of different disciplines, from academic and research fields with the aim of collecting, exchanging and promoting the knowledge and new advances in healthcare. The meeting offers 26 oral and 21 poster presentations by researchers from various medical disciplines in five oral & four poster sessions. We hope that the papers presented in the meeting will stimulate and inspire future studies and advancement in medical & healthcare disciplines. We expect that you will benefit from this program in a big way.

We take this opportunity to express our sincere thanks to the Founder President Mr. Thumbay Moideen for his continued support & encouragement. We then thank the Provost, Prof. Gita Ashok Raj for her guidance and attention to make this meeting a success. Our special thanks to Scientific Committee members, the Reviewers, and the volunteers for their generous contributions to this Meeting.
